APPENDIX
NOTIFICATION

Government in G.O.Ms.No.288, MA&UD (I₁) Deptt, dated: 03-04-2008, among other things, introduced social housing in the residential layouts and Group Housing, etc. This new initiative was in accordance with the commitment of the State Government under Jawaharlal Nehru National Urban Revewal Mission (JNNURM) reforms. The National Housing Policy, 2007 also emphasizes the need for achieving social mix in all new housing projects under both public and private sectors. To address the need for shelter of economically weaker section and low income group, the above stipulations were made. Such social mix stipulations are already there in different forms in Delhi, Karnataka, Haryana, Maharashtra, Tamilnadu and Gujarat.

2. Large number of representations have been received from builders, developers and representatives of commerce and industry requesting Government to reconsider the above stipulations, since the said stipulations would adversely affect their industry and make their projects unviable. In writ petition No.14897 of 2008, filed in Hon'ble High Court challenging the social housing provisions in G.O.288, the Hon'ble High Court issued direction to the Government to treat the affidavit of the petitioner as representation and consider the objections filed in the writ petition and the grievances of the builders and developers.

3. The Government after careful examination of the matter and having regard to the recent slump in the real estate sector, issue the following Amendment to the G.O.Ms.No. 288, MA&UD (i1) Deptt, dated: 03-04-2008.
